

Dong ZHANG (Prof. Tim CHENG Group)

Post-Doctor, Computer Vision

‣ **Education History**

- PhD in computer science and technology, Nanjing University of Science and Technology, 2017-2021.
- Master in computer science and technology, Nanjing Forestry University, 2014-2016.

‣ **Research Topic**

- Semantic Segmentation, Object Detection, Scene Parsing and Cross-Scene Segmentation.

‣ **Publications**

- Dong Zhang, et.al. Self-Regulation for Semantic Segmentation. ICCV, 2021.
- Dong Zhang, et.al. Causal Intervention for Weakly-Supervised Semantic Segmentation. NeurIPS, 2020.
- Dong Zhang, et.al. Feature Pyramid Transformer. ECCV, 2020.

‣ **Hobbies**

- Mountain climbing, Running, Badminton, Movies and Reading.
