# KOU, Zili (Advisor: Prof. ZHANG, Wei)
2nd Year Student
Reconfigurable Computing System Lab(RCSL)

Education

- （2019 – now ）HKUST, PhD program
- （2018 – 2019) HKUST, internship
- （2015 – 2019) Southeast University, Bachelor of Science, Major in Electronics

Publication

- Kou, Z., He, W., Sinha, S., & Zhang, W. (2021). Load-Step: A Precise TrustZone Execution Control Framework for Exploring New Side-channel Attacks Like Flush+Evict. Design Automation Conference, in proceeding.

Thesis Topic

- Micro-architectural security
- Embedded Systems
- Hardware-enhanced security

Hobbies

- Sports
- Traveling
